JUDGE ADVOCATE

The primary duty of the Judge Advocate is to supply advice based on legal training or past American Legion experience, which have prepared one for the office. The Judge Advocate is the interpreter of the Constitution and Bylaws of the Post, Region, or District and at any time may be called upon by the Commander and other officers and members to rule on the legality of their actions and decisions in so far as they affect the good of The American Legion.

The Judge Advocate must protect the integrity of The American Legion and keep alight the torch of truth and fidelity that symbolizes the high and ennobling ideals under which The American Legion was founded. The Judge Advocate is charged with protecting this proud heritage with wise counsel and fairness in all actions and advice.

The Judge Advocate can supply valuable assistance to other Post, Region, or District committees and officers; and should be available to the Service Officer for advice and to the Americanism Committee on matters relating to the education and naturalization laws. Any committee can benefit from the Judge Advocate's contacts with local government.

Note: Should a Judge Advocate ever be in doubt, or not sure, of the legality of his/her decision, contact the Department Judge Advocate for clarification.

A Judge Advocate should never answer questions or render a decision based on personal beliefs or opinions.

A Post Judge Advocate must be familiar with the Standard Post Constitution and ByLaws, and be reminded that they are the governing document for Post operations. Should you encounter a problem not covered by the Post Constitution and ByLaws, contact Department Headquarters.

CONSTITUTION AND BYLAWS

Each Post in the Department of Maryland shall have its own Post Constitution and ByLaws, and they cannot conflict with the Constitution and ByLaws of The American Legion and/or the Department of Maryland.

Post Judge Advocates should familiarize themselves with The American Legion and Department of Maryland Constitution and By-Laws to successfully perform their duties.

PARLIAMENTARY PROCEDURE (Roberts Rules of Order)

Parliamentary Procedure is the application of parliamentary law to the conduct of an organization. It is wise for all leaders to familiarize themselves with the accustomed technique of conducting a meeting. While it is important the members understand the fundamental rules of parliamentary procedure, this knowledge should be used only to insure order, to expedite business and to develop an organization that will cleave to the objects for which it was organized. For a member to constantly raise points of order and to insist upon the strict observance of every rule in peaceable assembly, where there are members ignorant of those rules and customs, is but to defeat the opportunity of gradually accustoming the membership of the proper observance of parliamentary procedure.

It is important for an American Legion Post to adopt some authority on parliamentary law, and for the members to be familiar with both the specific and the general rules of the organization. A copy of the Post ByLaws should always be on the Commander's desk.

Most all Maryland Posts Constitution and Bylaws contain a reference to Roberts Rules of Order as the parliamentary procedure for use in meetings of the Post. But what does this really mean? What are Roberts Rules? Why do we need a set of parliamentary procedures?

To be honest the following was taken from a website <http://www.robertsrules.org/rulesintro.htm>. These explanations, along with the Cheat Sheet are good references to keep on hand.

What Is Parliamentary Procedure?

It is a set of rules for conduct at meetings, which allows everyone to be heard and to make decisions without confusion.

Why is Parliamentary Procedure Important?

Because it's a time tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert's Rules of Order newly revised is the basic handbook of operation for most clubs, organizations and other groups. So it's important that everyone know these basic rules!

Posts using Roberts Rules usually follow a fixed order of business. Below is a typical example:

1. Call to order.
2. Roll call of members present (or Officers).
3. Reading of minutes of last meeting.
4. Officers' reports.
5. Committee reports.
6. Old Business --- Important business from previous sessions designated for consideration at this meeting.
7. Unfinished business.
8. New business.
9. Good of The American Legion.
10. Adjournment.

The method used by members to express themselves is in the form of moving motions. A motion is a proposal that the entire membership take action or a stand on an issue. Individual members can:

1. Call to order.
2. Second motions.
3. Debate motions.

4. Vote on motions.

There are four Basic Types of Motions:

1. **Main Motions:** The purpose of a main motion is to introduce items to the membership for their consideration. They cannot be made when any other motion is on the floor, and yield to privileged, subsidiary, and incidental motions.
2. **Subsidiary Motions:** Their purpose is to change or affect how a main motion is handled, and is voted on before a main motion.
3. **Privileged Motions:** Their purpose is to bring up items that are urgent about special or important matters unrelated to pending business.
4. **Incidental Motions:** Their purpose is to provide a means of questioning procedure concerning other motions and must be considered before the other motion.

How are Motions Presented?

1. **Obtaining the floor**
 - a. Wait until the last speaker has finished.
 - b. Rise and address the Commander by saying, "Mr. Commander, or Madame Commander."
 - c. Wait until the Commander recognizes you.
2. **Make Your Motion**
 - a. Speak in a clear and concise manner.
 - b. Always state a motion affirmatively. Say, "I move that we ..." rather than, "I move that we do not ...".
 - c. Avoid personalities and stay on your subject.
3. **Wait for Someone to Second Your Motion**
4. Another member will second your motion or the Commander will call for a second.
5. If there is no second to your motion it is lost. (If someone begins debate on the motion without a second; the need for a second is immaterial and debate should proceed)
6. **The Commander States Your Motion**
 - a. The Commander will say, "it has been moved and seconded that we ..." Thus placing your motion before the membership for consideration and action.
 - b. The membership then either debates your motion, or may move directly to a vote.
 - c. Once your motion is presented to the membership by the Commander it becomes "assembly property", and cannot be changed by you without the consent of the members.
7. **Expanding on Your Motion**
 - a. The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it.
 - b. The mover is always allowed to speak first.
 - c. All comments and debate must be directed to the Commander.
 - d. Keep to the time limit for speaking that has been established.
 - e. The mover may speak again only after other speakers are finished, unless called upon by the Commander.
8. **Putting the Question to the Membership**
 - a. The Commander asks, "Are you ready to vote on the question?"
 - b. If there is no more discussion, a vote is taken.
 - c. On a motion to move the previous question may be adapted.

Voting on a Motion:

The method of vote on any motion depends on the situation and the by-laws of policy of your organization. There are five methods used to vote by most organizations, they are:

1. By Voice -- The Commander asks those in favor to say, "aye", those opposed to say "no". Any member may move for a exact count.
2. By Roll Call -- Each member answers "yes" or "no" as his name is called. This method is used when a record of each person's vote is required.
3. By General Consent -- When a motion is not likely to be opposed, the Commander says, "if there is no objection ...". The membership shows agreement by their silence, however if one member says, "I object," the item must be put to a vote.
4. By Division -- This is a slight verification of a voice vote. It does not require a count unless the Commander so desires. Members raise their hands or stand.
5. By Ballot -- Members write their vote on a slip of paper, this method is used when secrecy is desired.

There are two other motions that are commonly used that relate to voting.

1. Motion to Table -- This motion is often used in the attempt to "kill" a motion. The option is always present, however, to "take from the table", for reconsideration by the membership.
2. Motion to Postpone Indefinitely -- This is often used as a means of parliamentary strategy and allows opponents of motion to test their strength without an actual vote being taken. Also, debate is once again open on the main motion.

Parliamentary Procedure is the best way to get things done at your meetings. But, it will only work if you use it properly.

1. Allow motions that are in order.
2. Have members obtain the floor properly.
3. Speak clearly and concisely.
4. Obey the rules of debate.

Most importantly, *BE COURTEOUS*.

NO MOTIONS NECESSARY ON MATTERS THAT REQUIRE AN AUDIT

In the case of the Post Finance Report, Club Room Report, Lounge Report should be referred to an auditing committee, as the vote to accept the report does not endorse the accuracy of the figures, for the assembly can only be sure of that by having the report audited. Whenever such a financial report is made, the chair, without any motion, should say it is referred to the auditing committee or auditors, if there are any. If there are none, then the proper motion is to refer it to an auditing committee to be appointed by the chair. When the auditing committee reports, this report should be accepted, or adopted, which carries with it the endorsement of the financial report. If the motion passes to refer the report is approved, it must be made available for audit in accordance with the audit procedures contained in the Constitution and ByLaws.

PROCEDURE FOR HANDLING A MAIN MOTION

NOTE: Nothing goes to discussion without a motion being on the floor.

Obtaining and assigning the floor

A member raises hand when no one else has the floor

- The chair recognizes the member by name

How the Motion is Brought Before the Assembly

- The member makes the motion: I move that (or "to") ... and resumes his seat.
- Another member seconds the motion: I second the motion or I second it or second.
- The chair states the motion: It is moved and seconded that ... Are you ready for the question?

Consideration of the Motion

1. Members can debate the motion.
2. Before speaking in debate, members obtain the floor.
3. The maker of the motion has first right to the floor if he claims it properly
4. Debate must be confined to the merits of the motion.
5. Debate can be closed only by order of the assembly (2/3 vote) or by the chair if no one seeks the floor for further debate.

The chair puts the motion to a vote

1. The chair asks: Are you ready for the question? If no one rises to claim the floor, the chair proceeds to take the vote.
2. The chair says: The question is on the adoption of the motion that ... As many as are in favor, say 'Aye'. (Pause for response.) Those opposed, say 'Nay'. (Pause for response.) Those abstained please say 'Aye'.

The chair announces the result of the vote.

- 1 The ayes have it, the motion carries, and ... (indicating the effect of the vote) or
- 2 The nays have it and the motion fails

WHEN DEBATING YOUR MOTIONS

1. Listen to the other side
2. Focus on issues, not personalities; only address the Chair; never someone else
3. Avoid questioning motives
4. Be polite

HOW TO ACCOMPLISH WHAT YOU WANT TO DO IN MEETINGS

MAIN MOTION

You want to propose a new idea or action for the group.

- After recognition, make a main motion.
- Member: "Madame Chairman, I move that _____."

AMENDING A MOTION

You want to change some of the wording that is being discussed.

- After recognition, "Madame Chairman, I move that the motion be amended by adding the following words _____."
- After recognition, "Madame Chairman, I move that the motion be amended by striking out the following words _____."
- After recognition, "Madame Chairman, I move that the motion be amended by striking out the following words, _____, and adding in their place the following words _____."

REFER TO A COMMITTEE

You feel that an idea or proposal being discussed needs more study and investigation.

- After recognition, "Madame Chairman, I move that the question be referred to a committee made up of members Smith, Jones and Brown."

POSTPONE DEFINITELY

You want the membership to have more time to consider the question under discussion and you want to postpone it to a definite time or day, and have it come up for further consideration. Many times a motion to Lay on the Table is improperly used in this instance.

- After recognition, "Madame Chairman, I move to postpone the question until _____."

LAY ON THE TABLE

The subsidiary motion to lay on the table is properly used only when it is necessary to suspend consideration of a main motion in order to deal with another matter that has come up unexpectedly and which must be dealt with before the pending motion can be properly addressed. It has, however, become common to misuse this motion to end consideration of the pending main motion without debate, or to mistakenly assume that its adoption prevents further consideration of the main motion at all, or until a specified time. The use of the motion to lay on the table to kill a motion is improper; instead, a motion to postpone indefinitely should be used.

- After recognition, "Madame Chairman, I move to lay the pending question on the table."

QUESTION

You think discussion has gone on for too long and you want to stop discussion and vote.

- After recognition, "Madam President, I move the previous question."

LIMIT DEBATE

You think discussion is getting long, but you want to give a reasonable length of time for consideration of the question.

- After recognition, "Madam President, I move to limit discussion to two minutes per speaker."

POSTPONE INDEFINITELY

You want to kill a motion that is being discussed without voting on the merits of the motion.

- After recognition, "Madam Moderator, I move to postpone the question indefinitely."

POSTPONE INDEFINITELY

You are against a motion just proposed and want to learn who is for and who is against the motion.

- After recognition, "Madame President, I move to postpone the motion indefinitely."

RECESS

You want to take a break for a while.

- After recognition, "Madame Moderator, I move to recess for ten minutes."

ADJOURNMENT

You want the meeting to end.

- After recognition, "Madame Chairman, I move to adjourn."

PERMISSION TO WITHDRAW A MOTION

You have made a motion and after discussion, are sorry you made it.

- After recognition, "Madam President, I ask permission to withdraw my motion."

CALL FOR ORDERS OF THE DAY

At the beginning of the meeting, the agenda was adopted. The chairman is not following the order of the approved agenda.

- Without recognition, "Call for orders of the day."

SUSPENDING THE RULES

The agenda has been approved and as the meeting progressed, it became obvious that an item you are interested in will not come up before adjournment.

- After recognition, "Madam Chairman, I move to suspend the rules and move item 5 to position 2."

POINT OF PERSONAL PRIVILEGE

The noise outside the meeting has become so great that you are having trouble hearing.

- Without recognition, "Point of personal privilege."
- Chairman: "State your point."
- Member: "There is too much noise, I can't hear."

COMMITTEE OF THE WHOLE

You are going to propose a question that is likely to be controversial and you feel that some of the members will try to kill it by various maneuvers. Also you want to keep out visitors and the press.

- After recognition, "Madame Chairman, I move that we go into a committee of the whole."

POINT OF ORDER

It is obvious that the meeting is not following proper rules.

- Without recognition, "I rise to a point of order," or "Point of order."

POINT OF INFORMATION

You are wondering about some of the facts under discussion, such as the balance in the treasury when expenditures are being discussed.

- Without recognition, "Point of information."

POINT OF PARLIAMENTARY INQUIRY

You are confused about some of the parliamentary rules.

- Without recognition, "Point of parliamentary inquiry."

APPEAL FROM THE DECISION OF THE CHAIR

Without recognition, "I appeal from the decision of the chair."

INVESTIGATIONS AND RESOLUTION D3808

Often conflicts of personalities or different opinions on management styles will result in conflicts within a Post. In most cases these conflicts involve the Post lounge, financial concerns, or other issues involving Post operations. These matters should be resolved by the Post leadership whenever possible.

Resolution D3808 governs the Department handling of Post issues. The applicable whereas and resolved clauses are the following:

WHEREAS, In the past five (5) years or so, many American Legion Posts have been bypassing their respective County/Area and District and coming directly to the Department for assistance in solving internal problems covering a wide range of issues, including but not limited to, the following examples: administering and managing day-to-day operations; compliance with local, county, state and federal financial rules, regulations and reporting requirements; elections; and lease, purchase or disposal of real property; and

WHEREAS, Many of these problems possibly could be avoided if Post officers and members availed themselves of Legion College Classes conducted annually on Tuesday's proceeding the opening of Annual Department Conventions, by reading and becoming familiar with the contents of their Post Charter, studying The American Legion Officer's Guide and Manuel of Ceremonies, becoming familiar with the Department of Maryland Constitution and By-Laws, and by completing the Home Study Lesson Plans of The American Legion Extension Institute; and

WHEREAS, All American Legion Posts have a duty and obligation to their members, to the community in which located and to National and Department organizations to operate in an efficient, responsible and transparent manner; and

WHEREAS, When it becomes necessary for the Department to intervene in a Post's operations, such intervention shall be at the discretion of the Department Executive Committee and will involve on-site investigation by the Internal Affairs Commission in coordination with the responsible County/Area and District; now, therefore, be it

RESOLVED, That the Department Executive Committee, in regular meeting at Proctor Kildow American Legion Post 71 on May 18, 2008, hereby deems it necessary to develop, establish and publish the following mission statement for the Internal Affairs Commission:

Mission Statement: At the discretion and determination by the Department Executive Committee, the Internal Affairs Commission shall be directed to perform such tasks as shall be prescribed and specified between meetings of the DEC. As a minimum, reports to the DEC on the results of such tasks shall include a statement of the problem(s), name(s) of people interviewed, finding(s), conclusion(s), and recommended solution(s) all of which shall be based on thorough and complete investigative research, diligent analyzes and scope of study together with supporting exhibits, attachments and other pertinent documentation; and, be it further

RESOLVED, That the following Committees are assigned to the Internal Affairs Commission for general supervision and coordination:

- *Constitution and By-Laws,*
 - *Trophy and Awards,*
 - *Such other Committees as the DEC may, from time to time, designate;*
- and, be it finally*

RESOLVED, That effective with the adoption of this Resolution, the following policies and procedures shall apply Department-wide:

- 1. Problems arising at Post level shall first try to be resolved internally by the Post Executive Committee,**
- 2. When the Post is unable to reach an amicable solution, the Post Commander and Adjutant or at least five (5) members in good standing from the general membership of the Post, may by petition, elevate the problem to the County/Area Council level for investigation and assistance,**

3. *When the efforts are determined unsuccessful by the County/Area Commander, the matter shall then be referred, in writing, together with all pertinent documentation to the District Council for investigative action,*
4. *When all of the above efforts have been exhausted to no avail, the District Commander may then refer the case, in writing, together with all pertinent documentation thus far accumulated to the Department,*
5. *Upon determination by the DEC that the Department should become involved, all documentation thus far developed at the Post, County/Area and District levels shall be provided to the IAC together with an appropriate tasking letter under the signature of the Department Adjutant. Such tasking letter shall include verbatim the decision of the DEC as recorded in the DEC meeting minutes; a copy of the tasking letter also will be transmitted via Certified or Registered mail, return receipt requested, to the Commander of the involved Post, with copy via Regular Mail to the appropriate County/Area and District Commander,*
6. *Decisions rendered, on a case by case basis, by the DEC shall be final and may not be appealed. However, should the Post ignore the DEC's decision and proceed with an appeal, the Post is hereby put on notice that all costs incurred by the Department incident to the entire appeal processes, shall become a financial obligation of and be fully reimbursable to the Department, by the Post.*

If the concern involves the upper echelon of the Post leadership, or is not properly addressed at the Post level, the County/Area Commander should be contacted for assistance. The County/Area Commander will work with the Post directly to provide advice, recommendations, and should always act as an impartial mediator when needed. Resolution D3808 requires a Post Commander and Adjutant, or 5 Post members in good standing to sign any request for assistance from County/Area Commander.

If the County Commander is unable to easily resolve the matter and further investigation is recommended, the County/Area Commander must submit a letter to the District Commander providing a detailed outline of the concern, possible violations of National, Department, and/or Post Constitution and ByLaws, notes on the matter, actions already taken, and evidence if possible. The letter must be signed by the County Commander. Once received, the District Commander will review the request and determine if a further investigation is warranted.

If the District Commander is unable to easily resolve the matter and further investigation is recommended, District Commander must submit a letter to the Department Headquarters providing a detailed outline of the concern, possible violations of National, Department, and/or Post Constitution and ByLaws, notes on the matter, actions already taken, and evidence if possible. The letter must be signed by District Commander. Once received, the Department Commander will review the request and determine if an investigation is warranted.

If the Department Commander determines that further investigation is needed, he/she will assign a Department representative (usually the District Commander, or member of Department Internal Affairs Commission) to conduct an investigation with the authority of the Department. The Department representative will conduct a detailed investigation and attempt to resolve any outstanding issues. A report will be submitted to the Department Commander following the investigation.

If the investigation reveals further concerns and the Department representative is unable to resolve the situation, the Department Commander may assign the Department Internal Affairs Commission to further investigate and assist the Post in resolving the issues. Department Internal Affairs Commission shall determine if any further action is required and refer the matter to the Department Executive Committee for resolution.

RESOLUTION ON Post operations

Post are reminded that the Department Executive Committee has had a long standing policy that Posts must conduct all operation and programs shall conform to and abide by all local, state and federal laws, codes and ordinances and shall be in compliance with all articles of the Constitutions and By-Laws of THE AMERICAN LEGION and of The American Legion, Department of Maryland, Inc. The DEC on February 19, 1995 reaffirmed this mandate. Posts violating this may face disciplinary proceedings at the Department of Maryland. The importance of maintaining our organizational integrity and prestige is critical and Posts must never allow actions that may bring discredit upon The American Legion or its member. Actions such as discrimination based off of Federal or State protected classes, Sexual Harassment, Alcohol violations, or other illegal/immoral practices shall be prohibited and those engaging in such activities shall be disciplined appropriately.

Audits (Internal/External)

Most Maryland Posts operate many different programs and businesses. One question that usually pops up several times a month and is directed for answer to Department HQs is about Audits. An attempt to answer all the many different questions with specificity is hard without detailed knowledge of Post operations. There is a great resource, and much more able to answer most of the questions, and this link: <https://www.councilofnonprofits.org/nonprofit-audit-guide>

Must the Post have an annual External (Independent) Audit?

This question really has 3 parts. First, if your Post receives no Federal grant money (none of our Posts do at this time that we are aware of), then there is no Federal mandated Independent Audit. Second, In Maryland, A charitable organization must file an audited financial statement prepared by an independent CPA if the gross income from charitable contributions is at least \$500,000. Given that only some Posts have total gross receipts above \$500,000 per year, the chances of a Post having charitable contributions (donations from non-members) above this level is also near non-existent.

So why does a Post have to have one is the remaining question! Usually it is the third area that mandates a Post have an Independent Audit, and that is the Post Constitution and Bylaws (CBL). In many cases the Post in their CBL mandates an annual External Audit be conducted. If the Post feels an audit isn't necessary, then they must change their CBL to reflect the opinion of their Post membership.

Is an Independent Audit a good idea (It costs too much)?

There is no way to answer that question for a Post's membership. If it is mandated in the CBL, then the Post feels it is necessary and it must be conducted. Many argue that the costs are too high for an audit, and audits can be expensive. But, when considered relative to the fact that the average loss from a single person fraud case in small nonprofits is **\$80,000**, the cost of the audit doesn't seem so outrageous. Does the Post get a financial review instead of an audit? How does the Post safeguard against fraud? All questions no one can answer except a Post's membership. But fraud and mismanagement of financial matters destroy Posts and deprive the organization of money to help the community. Everyone must be constantly vigilant about these issues.

Is an Internal Audit good enough?

Again, being able to answer this question is impossible.

Audits are not the most effective way to uncover fraud (but that doesn't mean they are unnecessary). First, most cases of fraud are uncovered by tips from employees and members of the Posts. They see something and know it is not right, and then point it out to someone. This website has some great tips on ways to reduce fraud and set up a culture that encourages employees and members to report suspected fraud. <https://www.councilofnonprofits.org/nonprofit-audit-guide/myth-audits-uncover-fraud>

The best way to combat fraud is through Governance! The article here <https://www.councilofnonprofits.org/nonprofit-audit-guide/myth-audits-uncover-fraud> explains this idea much better than we can at Department Headquarters.

What is the bottom line in all this?

If a Post has a Constitution and Bylaws that mandates an Independent audit annually, they must have an independent audit annually. The CBL may be changed by the Post to eliminate this requirement, but the removal of safeguards to fraud and theft are not recommended without careful consideration of the overall plan for combatting these threats.

If the Post Officers believe that an issue exists do not ignore and hope it resolves itself, take steps to insure good governance/checks and balances are in place, and that the financial statements reflect the true position of the Post. If there are continuing questions, then even without a CBL mandate, the Post should engage an auditor. The Post must vote and approve the audit and expense.

The American Legion, Department of Maryland, Inc.
Uniform Code for Discipline of Post Members
(as Enacted by the Department Executive Committee on August 19, 2018)

Excerpt from Department Bylaws on Discipline:

ARTICLE XIII
Discipline of Post Members

Section 1. Each Post has the power to discipline its own membership as such, subject to the restrictions of the National and Department Constitutions and ByLaws.

Section 2. Members may be suspended or expelled from The American Legion only upon a proper showing of cause. Charges shall be based upon disloyalty, neglect of duty, dishonesty or conduct unbecoming a member of The American Legion. All charges shall be made under oath, in writing, by the accuser or accusers, and no member in good standing shall lose their membership until given a fair trial by the Post in such manner and form as are provided herein.

Section 3. The charges shall be filed with the Post Commander or Adjutant, and a copy of the charges shall be served upon the accused either by an officer of the Post who shall certify as to delivery of said charges into the presence of the accused, or by registered mail directed to the address of the accused shown on the current year's membership record of the Post. The copy of the charges so served shall contain a notice to the accused of the date, time and place of the hearing of such charges, such date to be not sooner than 15 days after service has been obtained. A copy of all papers served upon the accused, and the certification of the officer who made the service, or the return receipt, signed by the accused, reflecting the registered mail service, shall be preserved in the Post records for reference in the event of appeal. The accused shall be entitled to obtain representation at the hearing and to cross-examine all witnesses against him/her. Reasonable postponement should be accorded to permit the hearing to be held at such time as will best insure the production of all real evidence bearing on the charges provided, however, that the accused may insist upon the hearing within 30 days of the service of charges upon the charged member.

Section 4. Punishment. By a two-thirds majority of those present and voting, upon a finding of guilty a member may be reprimanded, or suspended for a time not to exceed one year, or expelled from The American Legion. Notice of suspension or expulsion of any member shall immediately be sent to the Department Adjutant. The decision of the Post shall be final unless changed by the Department Executive Committee.

Section 5. Appeal. Any member who has been so disciplined has the right to appeal to the Department Executive Committee, whose decision on appeal shall be final. Said appeal must be in writing and filed with the Department within thirty (30) days after the action appealed from is taken, provided however, if the punishment is suspension or expulsion from The American Legion, the accused may also appear personally before an Appeals Committee named by the Department Commander; which Committee shall report its findings and recommendations to the Department Executive Committee.

Section 6. When an appeal is taken, the Post shall be notified by Department and given at least twenty days within which to answer said appeal. When a request is made to appear before the Appeals Committee, the Post shall be given at least twenty days notice and afforded an opportunity to also appear.

Section 7. In order to maintain order and decorum within the Post facilities, nothing contained herein shall prohibit a Post, with or without a hearing, from suspending a member from the use of the Post facilities for a period not to exceed 90 days, provided however, that the member shall have the right to a hearing before the Post Executive Committee or the Post Membership if the member requests same in writing within ten (10) days after being advised of said suspension and said hearing shall be held within ten (10) days after the Post is so notified.

Section 8. A Post Officer, after being given 30 days notice of the intended action, may be removed from office for neglect of duty, or conduct unbecoming the office the member holds, by action of two-thirds of the membership of the Post present and voting at a regular meeting and no formal charges shall be necessary to initiate such removal. Provided, however, that such Post Officer shall be entitled to know the reasons for such action and upon his/her request to be heard at a regular meeting in his/her own defense either before or after the action shall have been taken; and if this defense is first heard after the action has been taken, the membership of the Post shall reconsider his/her removal from office.

DEC ESTABLISHED RULES GOVERNING TRIALS

These rules shall govern any and all trials held by any Post within the American Legion Department of Maryland.

1. Any disciplinary action where the potential punishment is suspension or expulsion from the American Legion, or suspension of use of Post Facilities for a period greater than 90 days, against any Member shall be upon sworn or verified written charges by the accuser(s). (sample as Attch 1) *(Note: In order to maintain order and decorum within the Post facilities, nothing contained herein shall prohibit a Post, with or without a hearing, from suspending a member from the use of the Post facilities for a period not to exceed 90 days, provided however, that the member shall have the right to a hearing before the Post Executive Committee or the Post Membership if the member requests same in writing within ten (10) days after being advised of said suspension and said hearing shall be held within ten (10) days after the Post is so notified.)*
2. Said sworn or verified written charges shall be filed with the Post Commander or Post Adjutant. The charges shall be based upon disloyalty, neglect of duty, dishonesty or conduct unbecoming a member of The American Legion. All charges shall be made under oath, in writing, by the accuser or accusers, and no member in good standing shall lose their membership until given a fair trial by the Post in such manner and form as are provided herein.
3. The accuser(s) must be a Member(s) of the same Post as the Accused (except as provided in Article X Discipline, Section 4 of The American Legion, Department of Maryland, Inc. Constitution) and shall set forth the charges of disloyalty, dishonesty, and/or conduct unbecoming a Member of the American Legion in terms whereby the Accused shall be able to determine what conduct is being complained of, which shall at a minimum, include the date, time, place, and the details of the offensive conduct, in order that the Accused may properly prepare a defense.
4. A copy of the sworn or verified written charges shall be served upon the Accused, either in person by an officer of the Post who shall certify as to delivery of said charges into the presence of the accused, or by registered mail directed to the address of the accused shown on the current year's membership record of the Post.
5. The copy of the charges so served shall be accompanied by the following information:
 - a. A Summons for the Accused to appear on a specified date, time, and location for trial. No trial shall be held until fifteen (15) days have lapsed from the time of service of the charges upon the Accused.
 - b. A copy of the The American Legion, Department of Maryland, Inc., of this Uniform Code for Discipline of Post Members must be included in the service to the accused in order to notify of all rights during the disciplinary process.
6. A copy of all papers served upon the accused, and the certification of the officer who made the service, or the return receipt, **SIGNED BY THE ACCUSED**, reflecting the registered mail service, shall be preserved in the Post records for reference in the event of appeal.

7. The Accused shall be entitled to obtain representation, however any costs for said representation shall be the responsibility of the accused. Counsel may be a member of the American Legion or a licensed attorney. However, lack of licensed counsel, or inadequate representation shall not be a valid reason to overturn a decision on appeal.
8. The Accused shall be entitled to cross-examine all witnesses against him/her.
9. The Accused may appear at the trial in person, through written answer, or with counsel.
10. Either the Convening Authority (Post) or the Accused may apply for a continuance before the day of the trial. However, such a request must be in writing, show just cause for said request, and be sworn to by the moving party. The presiding Judge Advocate shall rule on any such motion filed. Reasonable postponements shall be accorded to permit the hearing to be held at such time as will best insure the production of the charges except/ provided that the accused may INSIST UPON the hearing within thirty (30) days of the service of charges upon him.
11. The Judge Advocate of the Convening Authority shall preside at the trial and shall have the power and authority to pass upon the materiality and relevancy of any evidence presented, and shall have general power to prescribe the necessary and reasonable rules and regulations for the orderly procedure of said trial.
12. In the event that the Judge Advocate of the Convening Authority is unable to preside at the trial, the Department Commander shall be noticed of said inability, and the Department Commander will then appoint a Judge Advocate from within the physical jurisdiction of the American Legion Department of Maryland, to preside over the trial. The Post shall bear the expense of any Judge Advocate so appointed.
13. The Convening Authority has the option to follow one of two methods for the actual hearing/trial. All the procedures above, including notification requirements and mandated waiting periods are in force no matter the method of hearing/trial selected.
 - a. Trial held before a Trial Committee, acting as jury. In this method the Committee then reports findings to the next General Post meeting and Post membership votes as outlined in this policy on those recommendations.
 - b. Trial held before the General Post Membership in Regular or Special Meeting. This method may be more desirable in smaller Posts where usual meeting attendance is less than 10 members.

Procedures for Trial before Trial Committee

14. The Trial Committee for the trial shall be selected by the presiding Judge Advocate from the members of the Post where the charges were filed. The Convening Authority shall select ten (10) such members. All members selected must be in good standing. Any member so selected shall be disqualified to serve as a juror if they are an accuser or witness at the trial.
15. If any Trial Committee member so selected states that he or she cannot fairly and impartially render a verdict in accordance with the evidence, then the presiding Judge Advocate shall strike those individuals as Trial Committee members.
16. The Accused shall have the right to strike two (2) Trial Committee members from the panel without showing any cause for such challenge. The Post shall have the right to strike two (2) Trial Committee members from the panel without showing any cause for such challenge. If the number of Trial Committee is

reduced below six (6), then the presiding Judge Advocate shall select additional Post members in good standing as needed to reach six (6) on the trial committee.

17. The Trial Committee actually selected to hear the facts shall consist of an even number of members and at least six (6) individuals.
18. If six (6) impartial individuals cannot be selected from the Post then the presiding Judge Advocate shall so notify the Department Commander and the Department Commander shall detail additional members from the American Legion, within the Department of Maryland to act as Trial Committee. The entity bringing the charges shall be responsible for any cost associated therewith.
19. At any time before the trial commences, the charges may be amended. However, if the charges are amended the Accused must be served with the amended charges and allowed fourteen (15) days before the trial can commence.
20. All testimony of witnesses must be taken under oath. The Accused shall have the right to confront and cross-examine any witnesses against him or her. No written statements, whether sworn or not, shall be admitted into evidence if the person who wrote the statement is not present to confront and be cross-examined by the Accused or counsel.
21. The Post SHALL maintain a record of the trial and associated proceedings recorded by tape, video, or court reporter. The Post should maintain the record of the trial proceedings in all disciplinary hearings in case of appeal. Failure of the Post to maintain the record of proceedings is grounds for reversal on appeal.
22. By two-thirds of the majority of the Trial Committee present and voting and upon the finding of a member guilty (means it requires 2/3 vote to find the member guilty), the Trial Committee shall prepare a written report detailing their findings and a recommended punishment. The member (1) may be reprimanded; (2) have membership, suspended for a time not to exceed one year; (3) suspension from the use of the Post facilities for a period not to exceed 90 days, or (4) expelled from membership in The American Legion.
23. The Trial Committee's findings and recommendations must be presented to the membership of the Post at the next regularly scheduled meeting of the Post. The accused may appear before the Post Meeting in person, through written answer, or with counsel and be permitted a reasonable amount of time (not less than 5 minutes, and not to exceed twice the amount of time the Trial Committee report presentation) to support or rebut the findings of the Trial Committee. At that meeting, the membership of the Post by 2/3 vote of the members present and casting a vote may approve, disapprove, or modify the findings of the Trial Committee and any punishment awarded. Such decision at the general membership meeting of the Post shall be binding upon the Accused and the Post unless the Accused, within Thirty (30) days from such decision, appeals to the American Legion, Department of Maryland. Any appeals, including filing deadlines, shall be governed by those rules enacted by the Department Executive Committee entitled "DEC Rules Governing Appeals."
24. In the event of a conflict between these Rules and either the Constitution or By-Laws of The American Legion, Department of Maryland, Inc., said Constitution and/or By-Laws shall be controlling.

Procedures for Trial before Post Membership in Regular or Special Meeting

25. If the Post selects to conduct the trial before the Post membership in Regular or Special Meeting, All members in good standing attending that meeting, excluding the accuser, defendant, or witness at the trial are eligible to be jury members.
26. If any member in good standing present for the meeting states that he or she cannot fairly and impartially render a verdict in accordance with the evidence, then the presiding Judge Advocate shall strike those individuals as jury members, and dismiss that member from the proceedings.
27. The remaining members in good standing shall serve as jurors during the trial, but shall consist of at least six (6) individuals.
28. If six (6) impartial individuals cannot be selected from the Post then the presiding Judge Advocate shall so notify the Department Commander and the Department Commander shall detail additional members from the American Legion, within the Department of Maryland to act as a Trial Committee and the proceedings shall revert to the procedures for such a trial.. The entity bringing the charges shall be responsible for any cost associated therewith.
29. At any time before the trial commences, the charges may be amended. However, if the charges are amended the Accused must be served with the amended charges and allowed fourteen (15) days before the trial can commence.
30. All testimony of witnesses must be taken under oath. The Accused shall have the right to confront and cross-examine any witnesses against him or her. No written statements, whether sworn or not, shall be admitted into evidence if the person who wrote the statement is not present to confront and be cross-examined by the Accused or counsel.
31. The Post SHALL maintain a record of the trial and associated proceedings recorded by tape, video, or court reporter. The Post should maintain the record of the trial proceedings in all disciplinary hearings in case of appeal. Failure of the Post to maintain the record of proceedings is grounds for reversal on appeal.
32. By two-thirds of the majority of the Post members in good standing, present and qualified above to serve as the jury, and voting. Upon the finding of a member guilty (means it requires 2/3 vote to find the member guilty), the member (1) may be reprimanded; (2) have membership, suspended for a time not to exceed one year; (3) suspension from the use of the Post facilities for a period not to exceed 90 days, or (4) expelled from membership in The American Legion. Upon the finding of the member not guilty, the trial shall be adjourned and the charges and case are closed.
33. Such decision of the Post Membership in Regular or Special meeting of the Post shall be binding upon the Accused and the Post unless the Accused, within Thirty (30) days from such decision, appeals to the American Legion, Department of Maryland. Any appeals, including filing deadlines, shall be governed by those rules enacted by the Department Executive Committee entitled "DEC Rules Governing Appeals."
34. In the event of a conflict between these Rules and either the Constitution or By-Laws of The American Legion, Department of Maryland, Inc., said Constitution and/or By-Laws shall be controlling.

POST PROPERTY/ASSET ENCUMBRANCE RULES

Selling, Renting, Leasing, or Encumbering Post Property

The American Legion, Department of Maryland, Inc, Constitution Article III, Section 4. No real estate or leasehold property belonging to The American Legion, Department of Maryland, Inc., or one of its subordinate organizations shall be sold or disposed of in any way or have its title encumbered in any manner without the Post notifying the District and Region Councils in which it is located, in writing and without thereafter obtaining written consent of the Department Executive Committee of The American Legion, Department of Maryland, Inc.

What does that mean in plain English?

The essence of the Section is that no Post can Sell, Give away, or encumber (includes Lines of Credit with the property as collateral) their property, nor mortgage, lease or rent a property without prior permission of the Department of Maryland, Executive Committee.

So I hear the Department owns our Post property and we can't do what we want with it?

The Department Adjutant and Judge Advocate get this complaint/question a lot. It is a 2 part question, and the issues are separate.

First, almost all of the Posts within the Department of Maryland are operated as separate Corporations from the Department. These Post Corporations own their property. The Department does not have any titled rights to the property, and this remains true as long as the Post is in good standing within the Department.

Second, when a Post incorporates and requests a Supplemental Charter from The American Legion, The post in its Corporate Status agrees in the application for Supplemental Charter ***"By acceptance of this supplemental charter said Post in its corporate capacity hereby acknowledges irrevocable jurisdiction and declares itself to be in all things subject to the Constitution and By-laws of The American Legion and the Constitution and By-laws of the Department of Maryland and any and all amendments thereof and supplements thereto or repealers thereof now existing or which in the future may be adopted, as well as all the rules, regulations and orders heretofore or hereafter promulgated in pursuance thereof, and further said Post in its corporate capacity pledges itself through its members to uphold, protect and defend the Constitution of the United States of America and the principles of true Americanism for the common welfare of the living and in solemn commemoration of those who died that liberty might not perish from the face of the earth."***

Thus, by agreeing to be bound by the rules, regulations, and orders promulgated in pursuance of The American Legion, Department of Maryland, Inc. Constitution, the Post, can't do what it wants with their property, without permission of the Department Executive Committee (See Article III, Section 4 of Constitution).

Does that mean we can't sell the Post home?

No, if all the requirements of the CBL, Rules of the DEC, and Uniform Code are met, and permission granted the Post may sell its Post home in accordance with the orders of the DEC. This means the DEC has a right to demand certain restrictions be placed on the retention and purpose of the funds from the sale.

Does that mean we can't encumber (Mortgage, take a loan, or take a Line of Credit)the Post home?

No, if all the requirements of the CBL, Rules of the DEC, and Uniform Code are met, and permission granted the Post may mortgage, take a loan, or take a Line of Credit its Post home in accordance with the orders of the DEC. This means the DEC has a right to demand certain restrictions be placed on the encumbrance

Can the Post Lease or rent a Property?

Yes, if all the requirements of the CBL, Rules of the DEC, and Uniform Code are met, and permission granted the Post may rent or lease a property in accordance with the orders of the DEC

What are all the requirements, and where can I find them?

The detailed requirements can be found in the Rules of the Department Executive Committee, online at the Department website under Resources, then Forms and Publications. Look for Uniform Codes Section.

The attached checklists were created to give an easy to follow form to gather and organize the necessary paperwork. Choose the situation that best fits and use that checklist. Once the complete packet is assembled, the Post must gain District and Region approval, before being forwarded to Department HQs for consideration.

Why is the Department involved in Post business?

To be honest, it is because the Department is **mandated by its Constitution** to be involved in this aspect of Post property.

While the current officers may not understand all the reasons for this requirement, it is safe to assume our predecessors had a good reason. One may be, the property of a Post is an asset derived from donations, labor, and volunteer work over many years. The current officers of a Post are caretakers of that legacy and the faith that the assets are preserved for the future are prime in the organizational principles of The American Legion.

The review and approval process places an independent review of the situation from the Post members and leaders, and provides safeguards against fraud or financial missteps with the proceeds.

Our Post has to move fast to get the deal done, why does it take so long?

The approval of these packets is done at the Quarterly meetings of the Department Executive Committee. Planning on the part of the Post is essential for smooth approval. The longest any Post could possibly wait if their paperwork was correct and in order would be 3 months. The issues are incomplete packets, missing approvals, and untimely submissions from the Posts.

Incomplete packets: use the attached Checklist and ensure all the papers are complete and present. Without them the packet will be rejected.

Missing Approvals: Posts are required to gain approval of District and Region Councils before submission of the packet to Department Headquarters.

Untimely Submissions: These fall into 2 categories:

1. Posts submit packets within 1 week of the DEC meeting and expect the Department to complete its review and recommendations with little to no prior knowledge or paperwork. (Submissions to Dept Headquarters of a copy of the packet for review while obtaining District and Region Approval is appropriate).
2. Post submit packets just after the Quarterly DEC meeting which requires a 3 month wait for action of the DEC. If a Post desires for a Special DEC to be called the Post would have to agree to pay the cost of calling the additional meeting. (Approximately \$3000 - \$5000)

Role of Post Judge Advocate

The Post Judge Advocate serves as an advisor in encumbrance matters. The Judge Advocate should use the rules and the attached checklist to assist the Post Officers in assembling the packet correctly. They should also advise on the correct notification procedures to the Post members, and assist with the timely submission of the packet to the District Commander. Time should be given for the District Commander and Judge Advocate to review the packet before the consideration at the District Meeting.

Presentation of the packet should be done in person at the Region Meeting by the requesting Post Commander or representative if requested by Region Commander. The Post Commander and Judge Advocate should present and defend the request at the Department Executive Committee meetings.

Role of District Judge Advocate

The District Judge Advocate should review the packet for completeness. Incomplete packets should be returned to the Post immediately. A swift return will aid the Post in meeting the Department requirements. Forwarding of incomplete packets only delays approvals at the Region or Department level.

If packet is complete, the District Judge Advocate should notify the District Commander and the District Commander shall issue an endorsement of completeness to the Region Commander.

Role of Region Judge Advocate

The Region Judge Advocate should review the packet for completeness and adequacy. Inadequate or incomplete packets should be returned to the Post immediately. A swift return will aid the Post in meeting the Department requirements. Forwarding of incomplete or inadequate packets only delay approvals at the Department level.

If both the Region Judge Advocate and Region Commander agree the packet is adequate and complete, the Region Commander shall sign an endorsement detailing the approval of the Region Council based off of this review and forward the packet and endorsement to Department Headquarters.

If questions of adequacy exists, the Region Judge Advocate shall notify the Region Commander and the Post of the possible issues. The matter shall be scheduled for the next regular Region council meeting or a special meeting of the Region Council. The Region Judge Advocate should assist the Post in presenting their packet and any issues, and also assist the Region Commander and delegates in consideration of the packet and voting to recommend approval or disapproval to the Department Executive Committee. After hearing the Post's presentation, the Council will then take a vote on the request and will then forward a written report of the Council's actions with the original and copy of the Post's request and the District's approval to the Department Headquarters for staffing and consideration.

At such meeting the Post shall present their packet as a matter of New Business at the scheduled Region Council meeting.
